**Upcoming CE Webinar:
First Responder Mental Health: Clinical Considerations**

Anka A. Vujanovic, PhD
Wednesday, March 11, 12:00–1:00 p.m. MT

Dear NAME,

As part of our partnership with the National Register of Health Service Psychologists, we are pleased to offer Wyoming Psychological Association members and affiliates discounted access to the upcoming webinar First Responder Mental Health: Clinical Considerations.

This webinar will describe prevalent psychological symptoms and mental health issues among first responders and define unique clinical considerations impacting the mental health of this unique and vulnerable population. Finally, the webinar will elucidate future research directions to improve first responder mental health.

Visit <http://bit.ly/38oZ2VX> to register.

- The discounted cost for WPA members and affiliates is \$25.
- Select the “State Psychological Association Member or Affiliate” webinar ticket type and enter **WPA10** when checking out.

Participants will earn 1 CE credit for attending this session. Participants must attend the entire, one-hour presentation and complete the evaluation at the end of the webinar to be eligible for CE credit.

For more information about the webinar and Dr. Vujanovic, please visit <https://www.nationalregister.org/education-training/upcoming-webinar/>.

We hope you will join the presentation on March 11!

Regards,
